What are you persecuting me for. I have not committed any offense. For what crime are you persecuting me. Let go. It's been said your straining at a net. As Jesus said to said Why You persecuting me. I have committed no sin, no violation, no offense. I been in prison for over a year and the best you can come up with is I was drunk in my home 12:00 o'clock at night.

Are you a Criminal, You making yourself a Criminal, IF I have prove my innocence, which is evident, then why are you breaking the law by punishing and persecuting me. What would you answer the Judge of Judges who knows your heart about what your doing.

Question would you really say your action is just or justified. You Prosecuting me knowing I committed no offense. Question yourself are you innocent. And do you have a right to persecute the innocent. Who have you become? Who are you? What's your actions for?

You have records that I am on a Mental Health Pod and doing well, I been here doing fine for over a year while incarcerated. I been evaluated. Why you what another evaluation? Your scheming Stealing ~~Stealing~~ my life. Your not stealing my life. My life is over I live for my kids and family and grand kids. They need me. Your a thief and a robber of my "kids" and family. May the Lord and real Judge Judge Ronald L. Johnson June 16, 2006.
